THE DOG POUND

The Campus Ice Centre opened its doors in September 2005 and is the proud home of the Ridgebacks. Considered by many as one of the best University facilities across Canada, fans flocked to watch the Ridgebacks during their first season of action. Playing on the Durham Chrysler Pad, capacity is 550 seated plus an additional 250 standing room.

The state-of-the-art facility also houses the popular Shagwell's on the Ridge Sports Bar and Restaurant, where fans can food and drinks before, during and after the game. Fans are even treated to performances during intermissions inside the restaurant and at the arena.

The atmosphere at the Campus Ice Centre was electric during year one and it will only get better as we continue to grow our program. Become a season ticket holder today and make sure you do not miss any of the exciting OUA action at the DOG POUND!
